

KYNDRA D. HOLLEY

Peace Love and Low Carb is a food blog specializing in low carb, keto, and paleo recipes. Our focus is on whole, real food, every day ingredients. Peace Love and Low Carb was founded in 2011 by Kyndra Holley and in the 8 years since, it has become one of the most well-established low carb, ketogenic resources out there. Kyndra is an International Best Selling Cookbook Author of several low carb, keto cookbooks and is currently in the process of writing her next book. She specializes in recipe development and content creation, as well as helping brands grow their social media influence and brand awareness.
